

Hello,

I am writing to inform you that I may receive a referral fee if I refer you to TP Financial Group, a financial service provider that I have used and trust.

As a client of mine, you are always my top priority, and I only make referrals to service providers that I believe will provide you with the best possible service. TP Financial Group has consistently provided me with exceptional service, and I believe they will do the same for you.

The referral fee I receive will not affect the services you receive from TP Financial Group. Their fees will remain the same whether you are referred by me or not. The referral fee is simply a way for me to compensate for the time and resources I have invested in building my relationship with TP Financial Group.

By accepting this referral, you agree to allow me to receive a referral fee from TP Financial Group if you use their services. If you have any questions about the referral fee or TP Financial Group, please do not hesitate to contact me.

Thank you for your continued trust in my services. I look forward to the opportunity to refer you to TP Financial Group.

Sincerely,  
Marlene Alava
